I have been working with DONORWALL DESIGN GROUP for almost 3 years now. Throughout the years they have been very helpful in getting me the plaques that I need in a very timely fashion. Even when I am in a bind and need an item on short notice, they do their best to get it to me as soon as possible. I mostly interact with Lee Whitley-Fiumano and she is great — very friendly, knowledgeable and responsive. I highly recommend DONORWALL DESIGN GROUP, they have great products and even better customer service.

Working with DONORWALL DESIGN GROUP has been a positive experience in every possible way. Barry and his staff are professional and talented and have brought to every project creativity and direction. I look to them as advisor's knowing that not only do they have answers, but are always the right answers for our needs even when I am unsure what those needs are. They are the experts and I am grateful that they are able to add beauty and information to our facility. Thanks guys!

DONORWALL DESIGN GROUP and Barry Silverberg have transformed the way we recognize those who provide philanthropic support to MKA. Their designs are elegant and in keeping with their surroundings, while the materials they employ are top quality, versatile, and stand the test of time. On top of all this, they are always on time with delivery and installation is perfect. I couldn't ask for more from our donor recognition team!"

DONORWALL DESIGN GROUP has been a terrific partner in the growth of our donor recognition program. Their ideas, creativity and enthusiasm — not to mention an ability to manage deadlines — has led to distinct, noticeable recognition pieces. Donors are overwhelmingly pleased when they see the final product, which is perhaps the best endorsement of our work together.
