GET RECOGNIZED™

## The Viscardi Center

**Project:** Create a recognition system that would honor our client's Legends of Viscardi Emeritus Board and be updatable on an as needed basis.

**Solution:** We once again used magnetic plaques to solve this project request. Every square block area is made up of eight individual metal plaques or one photo of a recipient. The top left plaque brands the installation with our client's logo and an explanation of what this board is in honor of and at the center of the piece is a beautiful hand drawn portrait of Mr. Viscardi. The initial installation starts with the 1967 honoree and runs through 2016 while still leaving room for another 36 honorees.
